COLLEGE OF PHYSIOTHERAPY

BPT Programme

Duration : Four and Half year Program, (Admissions open for the batch 2017-18)

Eligibility : PUC/12th with Physics, Chemistry and Biology with 45 % Marks

Admission needs valid score in SUAT.

ABOUT BPT PROGRAMME :

The Bachelor of Physiotherapy is a four-year full time academic program with semester pattern of examinations. After passing the fourth year of education, the student will undergoes a six months period of compulsory rotatory internship in various clinical departments.

SCOPE OF THE COURSE:

A career in Physiotherapy can lead to a variety of interesting and challenging jobs in the health care system. Physiotherapists can specialize in the areas such as pediatrics, geriatrics, neurology, cardio respiratory, and orthopedics. Physiotherapists can also obtain a doctorate degree and become involved in research. Physiotherapists that demonstrate a high level of skill, knowledge and competence in their work may find many opportunities for growth, such as moving into supervisory or management positions, teaching positions, or they may decide to open their own, independent physiotherapy clinic or service. Today there are only around 5,000 qualified Physiotherapists in India but, it is estimated that one physiotherapist is required for every 10,000 people, and the demand for trained professionals is only growing with time. The Physiotherapist mainly works in hospitals, rehabilitation centers and private practices. They also work in nursing homes, industrial health units, schools, sports clubs or clinics, the armed forces and universities. Physiotherapists are required in each department of a hospital, be it ICU or geriatrics, and they can also choose to work independently or be part of a multidisciplinary team.

SPECIAL FEATURES:

- Extraordinary infrastructure with state of art laboratories, ultramodern therapeutic clinics, well established research labs supported with well illuminated and ventilated class rooms with audio-visual equipment.
- Facilities for indoor and outdoor games, ultra-modern gym, hostels with homely food and environment for boys and girls.
- Well qualified and highly experienced faculty and fully Wi-Fi enabled campus with Free internet facility for students to have up to date knowledge.
- Srinivas College of Physiotherapy extends its rehabilitation camps to rural, remote and interior areas of Dakshina Kannada district to provide rehabilitation services.
- Community clinical services to old age homes and integrated schools in Mangalore.
- Kinesiology laboratory.
