About Us

The college of **COMPUTER AND INFORMATION SCIENCES** is envisioned to offer courses which would build the students into to enthusiastic quality professionals in the field of Computer Science and Information Technology. The College is located in the heart of Mangaluru city, connected with Central Railway Station offers excellent learning atmosphere. Students are exposed to a variety of curricular, co-curricular and extra-curricular activities that transform them into dynamic change agents who are able to make a difference by their presence wherever they are. Students from different parts of the country and regions who enroll in the college make it truly inclusive and multi-cultural. The college promotes research in relevant fields of Computer and Information Science, offer Ph.D. programme in accordance with the regulations of the University.

About the Conference

Development is a process which everyone in this world is talking about and also experiencing in this 21st century. It has spread across the sectors like IT, Management, Social Science or even Education. Information Technology is the major force behind such developments across various sectors. Business and IT companies need to look beyond traditional measures of performance and adapt to change in environment to achieve organizational success and sustained growth. With this context we are hosting a 2 days national conference on “**Recent Advances in Technological Innovations in IT, Management, Education, and Social Sciences**” to be held on 11th and 12th October 2019.

Call for Papers

This conference seeks to provide a platform to address and deliberate on various issues and concerns in the fields of Information Technology, Computer Science, Banking, Management, and Social Sciences. We invite Research Papers, Case Studies and Articles from various fields of Information Technology, Computer Science, Banking, Management, Education and Social Sciences that address the theme of the conference.

CONFERENCE THEME: **Recent Advances in Technological Innovations in IT, Management, Education, and Social Sciences.**
