SRINIVAS INSTITUTE OF MEDICAL SCIENCES AND RESEARCH CENTRE

The SIMS & RC is a premier institution established to provide quality medical education and affordable healthcare. Located on the Mangalore–Udupi Highway, it houses a super-speciality teaching hospital with 20+ departments and admits 200 MBBS students annually. Affiliated to Srinivas University and approved by the National Medical Commission, SIMS&RC blends modern infrastructure, advanced medical technology, and a strong social commitment to train competent doctors destined to serve the country.

SIMS & RC offers a wide spectrum of academic programs designed to build a strong foundation in medical science and clinical practice. Each program combines rigorous academic training, hands-on experience, and research exposure to prepare students for successful medical careers and compassionate patient care.

ABOUT BBC CURE

BBC Cure (Bridging Brains Towards Cancer Cure) is a Cancer Moonshot Program conceptualized by Dr. Papineni in 2014 in the USA. This non-profit entity aims to equip young scientists as New Cancer Warriors (Researchers) through knowledge transfer in a Gurukul fashion, overcoming limitations of traditional lab settings and conferences.

ABOUT THE CONFERENCE

The International Conference on “**Convergence in Biomedical Science: Innovations from Molecules to Medicine**” aims to bring together researchers, clinicians, industry experts, and academicians to exchange and share their experiences and research results on all aspects of Biomedical Science. The conference provides a premier interdisciplinary platform for scientists to present and discuss innovations, trends, and challenges in transforming molecular discoveries into clinical applications.

CONFERENCE THEMES

- Molecular Biology and Biochemistry
- Genomics, Proteomics, and Metabolomics
- Drug Discovery and Nano-medicine
- Biomedical Imaging and Diagnostics
- Regenerative Medicine and Tissue Engineering
- Bioinformatics and Computational Biology
- Clinical and Translational Research
- Public Health and Biomedical Ethics
